AVDHARAN : ICTDTS3F-2026

## International Conference on Technology Driven Transformation for Smart, Secure and Sustainable Future

Nov 27-28, 2026

### About the Conference

**Avdharan :ICTDTS3F-2026** provides a distinguished forum for presenting scientific outcomes related to innovative, fundamental, and applied research that enables technology-driven transformation toward a smart, secure, and sustainable future. The conference aims to bring together academicians, researchers, and industry professionals to exchange recent research contributions, practical innovations, and experiential knowledge, and to deliberate on emerging trends, opportunities, and challenges in next-generation technologies. The conference will feature regular technical sessions comprising peer-reviewed research papers selected by an international program committee, along with invited talks delivered by renowned scientists and industry experts. Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore, announces **Avdharan:ICTDTS3F -2026** is a strong emphasis on the role of advanced technologies such as artificial intelligence, intelligent systems, cybersecurity, and sustainable computing in shaping future-ready societies.

Highlighting the significance of collaboration and knowledge sharing **Avdharan: ICTDTS3F -2026** seeks to offer a global platform for engineering educators to engage with leaders from academia and industry worldwide. The conference also encourages educators to present innovative pedagogical approaches and best practices that contribute to transformative advancements in engineering education. Selected papers will be published by an international publisher after the conference and will be indexed.
