Call for Papers

AVDHARAN – 2024: International Conference on Mobile Cloud Computing, Services, and Engineering**

Date: Nov 22-23, 2024

Venue: Online Mode

Institute: Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore

The AVDHARAN – 2024: International Conference on Mobile Cloud Computing, Services, and Engineering invites researchers, academicians, industry professionals, and students to submit their original research papers for presentation at the conference.

Avdharan-24 aims at providing a platform for authors to connect with leaders from academia and industry from all over the world. Authors will also have an opportunity to share their best practices that could help in bringing about transformational current research area.

Sub Themes: The conference sub-themes are outlined below. The committee particularly invites articles that question existing research, policy, and practice, and authors are encouraged to interpret the subjects flexibly.

1. Cloud Computing Architectures and Models

2. Cloud Services and Applications

3. Security and Privacy in Cloud Computing

4. Cloud Computing for Big Data and Analytics

5. Edge Computing and Cloud Integration

6. Cloud Networking and Communication

7. Cloud Computing for Internet of Things (IoT)

8. Cloud Computing for Smart Cities

9. Cloud Computing for Healthcare Applications

10. Cloud Computing for E-Learning and Education

11. Cloud Computing for Fintech Services

12. Cloud Computing for sustainable energy sectors

**Submission Guidelines: **

- Papers must be original and should not have been published elsewhere.

- Submissions should be in English and follow the conference template.

- Papers will undergo a double-blind peer-review process for selection.

- Selected papers will be published by an international publisher after the conference and submitted to google scholar indexing.
